The first name drawn is to be the most senior, and so on, until the names of all affected employees have been drawn.

Any other employee who was promoted or transferred by reason of such placement shall also have the right

to revert to their former department, classification and rate. However, such return shall not result in a lay-off or bumping of any employee holding greater seniority. At the expiration of the twenty-eight (28) month period of temporary relief, the employee shall lose all seniority rights. The Employer shall notify the employee and Local 122, in writing, a minimum of thirty (30) days before the expiration of the twenty-eight (28) month period in order to ensure that the employee is fully aware of the terms of this clause.

14.04 (a) Unless otherwise provided in this Agreement, upon providing a minimum of forty-eight (48) hours' notice, the Corporation may change an employee's regularly scheduled shift. If an employee's regular scheduled shift is changed by the Corporation without a minimum of forty-eight (48) hours' notice to the employee, such employee will be paid at the rate of time and one-half (1-1/2X) their regular rate for each hour of the first shift worked.

(b) Upon providing notice of shift change, the Corporation will advise the

affected employee(s) when they will revert to their previous hours of work; if known.

- (c) The parties agree that the following shall apply with respect to Winter Control and Spring Cleanup in the Roads Department if the Employer seeks employees to work an eight-hour shift between 10 pm and 8 am:

 - ii. The Employer will first offer each week of work to qualified employees, on the basis of seniority, for each relevant classification.
 - iii. If a sufficient number of employees in the relevant classification do not accept the opportunity to work the offered shift, then starting with the least senior employee in the relevant classification, and moving upwards by seniority, employees will be obligated to employees in a relevant classification to work a shift and there are not a sufficient number of employees in the relevant classification who have accepted the offer, then the least senior employee in the relevant classification will be required to work that shift. With respect to Week 2 if a sufficient number of employees in the relevant classification have not accepted the offer, then the next least senior employee(s) who was not required to work the previous week will be obligated to work that shift.

After four weeks or if there is a break of one week where the Employer has not obligated an employee in the relevant classification to work a shift pursuant to section (iii) there will be a "reset" in terms of which employees will be required to work the shift and it will revert to the least senior employee in the classification who will be required to work the shift; and the process outlined in 14.04 (c) above will apply.

- 14.10 When any scheduled run is not completed because of failure or shortage of equipment, the Operator shall be allowed full scheduled time for that day with pay.

In instances when an Operator advised the Transit Supervisor or designate a minimum of thirty (30) minutes prior to the commencement of their shift that they expect to be late, the Transit Supervisor or designate may, at their discretion, assign a replacement until a scheduled Operator is available; provided, however, that the scheduled Operator is not expected to be more than one (1) hour late, otherwise the scheduled operator will forfeit work for the day.

- 14.12 In instances when a transit employee has been off work due to illness or injury, they shall provide the Transit Supervisor with a minimum of eight (8) hours notice prior to their reporting back to work. Failure to provide such notice may result in a loss of the shift and pay.

- For purposes of this clause, an equitable distribution of hours will have been achieved if there is no greater variance than twenty-four (24) hours difference between the employee with the most overtime and that of the employee with the least amount of overtime who are working in the same department, working in the same classification and normally performing the work available. In addition, for equalization purposes only, overtime hours refused by an employee shall be shown as hours actually worked.
- Cumulative overtime for each employee shall be posted in all departments by the Employer within ten (10) days of the end of each month.

In addition, they shall be paid at their regular rates for all time actually spent on call-outs, with a minimum of two (2) hours pay for each call-out. - 15.10 In instances when an employee is off work due to illness, vacation, lieu time and/or a paid holiday in conjunction with vacation, such employee shall be deemed to not be available for overtime work from completion of work on the last day at work until their normal starting time in the day they return to work. In the application of this article, employees on union leave, as per article 7.05 and 20.01, as well as employees approved for lieu time, not in conjunction with approved vacation, are eligible for overtime at the conclusion of the leave.

- 31.03 It is agreed and understood that an employee returning to work after a pregnancy or parental leave shall provide the Employer, in writing, with a minimum notice of fourteen (14) calendar days.
- 31.04 Pregnancy and/or parental leaves of absence shall be without pay. However, the employee will continue to accumulate seniority during such periods of absence.
- 31.05 During the period of pregnancy leave or parental leave, the employee shall continue to participate in the following benefit plans unless the employee gives notice in writing that they do not intend to pay their contributions, if applicable.
1. O.M.E.R.S
 2. Life Insurance
 3. A.D. & D.
 4. Extended Health
 5. Dental
 6. Long Term Disability
 7. Except as provided for in Clause 18.05 an employee's participation in all other benefits referred to in this Agreement will be suspended during periods of pregnancy and/or parental leave.

ARTICLE 32 – CONDITIONS AND BENEFITS

- 32.01 All rights, benefits, privileges, and working conditions which employees now enjoy, receive or possess as employees of the Corporation shall continue to be enjoyed and possessed insofar as they are consistent with this Agreement, but may be modified by mutual agreement between the Corporation and Local 122.
- 32.02 In order to provide job security, it is agreed that none of the work now assigned to and performed by the members of the Bargaining Unit shall be contracted out to others if such contracting out would result in a lessening of the members of the Bargaining Unit employed by the Municipality.
- 32.03 The Local 122 President and Recording Secretary and any employee(s) affected shall be given sixty (60) calendar days notice when the Corporation, by reason of technological change, is unable to provide work for a displaced employee at a comparable rate of pay in a comparable class of work. Within thirty (30) calendar days of receipt of such notice, the affected employee(s) shall elect one of the following options:
- (a) Accepting severance pay on the basis of one (1) week's pay at his regular rate for the position last occupied for each year of employment with the Corporation. It is understood and agreed that election of this option will be

deemed to be a termination of the employee's employment with the Corporation and a forfeiture of all bargaining unit rights including the right to grieve such termination; or

- (b) Foregoing the severance pay described above and electing instead to bump a less senior employee pursuant to the procedures set out in Article 9 of this Agreement.

ARTICLE 33 – COPIES OF AGREEMENT

33.01 Local 122 and Corporation desire every employee to be familiar with the provisions of this Agreement and their rights and duties under it. For this reason, the parties agree to share the cost of reproducing this Agreement in small booklet form. The parties agree to use an electronic copy of the legal version of the Collective Agreement.

ARTICLE 34 – MILEAGE ALLOWANCE

34.01 (a) An employee authorized by their Senior Manager of the Business Unit to use their personal automobile in the performance of their duties shall be paid at the rate established as the "reasonable allowance rate" by the CRA as updated from time to time.

Three permanent Field Technicians shall be provided with vehicles.

ARTICLE 35 – LEGAL INDEMNIFICATION

35.01 (a) Subject to the other provisions of this Article, an employee charged with and finally acquitted of a criminal or statutory offence, because of acts done in the attempted performance in good faith of their duties as an employee shall be indemnified for the necessary and reasonable legal costs incurred in the defense of such charges.

(b) Notwithstanding clause (a), the Employer may refuse payment otherwise authorized under clause (a) where the actions of the employee from which the charges arose amounted to a gross dereliction of duty or deliberate abuse of their powers as an employee.

(c) Where an employee is a defendant in a civil action for damages because of acts done in the attempted performance in good faith of their duties as an employee, they shall be indemnified for the necessary and reasonable legal costs incurred in the defense of such an action in the following circumstances only:

(1) Where the Employer is not joined in the action as a party and the Employer does not defend the action on behalf of it and the employee as joint tortfeasors at the Employer's sole expense.

(2) Where the Employer is joined as a party or elects to defend the action, but the solicitor retained on behalf of the Employer and the employee is of the view that it would be improper for them to act

forboth the Employer and the employee in that action.

- (d) An employee whose conduct is called into question in the course of an inquiry under the Coroner's Act because of acts done in the attempted performance in good faith of their duties as an employee shall be indemnified for the necessary reasonable legal costs incurred in representing his interest in any such inquest in the following circumstances only:
 - (1) Where the Employer does not provide counsel to represent the employee at the inquest at the Employer's expense; or
 - (2) Where the counsel provided by the Employer to represent either or both of them along with the employee is of the opinion that it would be improper for them to act for both the Employer and the employee in that action.
- (e) Where an employee intends to apply to the Employer for indemnification hereunder, the employee shall, with ten (10) days of being charged or receiving notice of other legal proceedings covered herein, or receiving notice that they will not be represented by counsel retained by the Employer, apply in writing to the Employer or to the officer designated by the Employer to deal with such applications for approval to retain counsel and approval of the counsel to be so retained.
- (f) Where the Employer elects to provide legal counsel to defend an employee in any legal proceeding covered by this provision, the cost of such counsel is the Employer's responsibility irrespective of the outcome of the proceedings.
- (g) For greater certainty, employees shall not be indemnified for legal costs arising from:
 - (1) grievances or complaints under this Collective Agreement;
 - (2) the actions or omissions of employees acting in their capacity as private citizens;
 - (3) discipline proceedings by the Employer.
- (h) For the purposes of this provision, an employee shall not be deemed to be "finally acquitted" if, as the result of charges laid, he is subsequently found guilty of, or pleads guilty to, other charges out of the same incident or incidents.
- (i) For the purposes of this provision, "necessary reasonable legal costs" shall be based on the account rendered by the solicitor performing the work, subject initially to the approval of the Employer's solicitor, and, in the case of dispute between the solicitor doing the work and the Employer's solicitor, taxation on a solicitor and client basis by a Taxing Officer.

ARTICLE 36 – APPRENTICE FLEET TECHNICIAN

1. POSTING / ADVERTISING:

The apprentice position should be posted internally first. Candidates must be registered with Skilled Trades Ontario as a 310T Truck and Coach Apprentice and in good standing with Skill Trades Ontario.

If there are any interested internal candidates, they should be given first consideration. The minimum requirement for all candidates is that they must be eligible to participate in the Ontario Apprenticeship Program (must have completed Grade 12 or successfully completed an academic standard prescribed for the regulations by the trade). If there are no interested/qualified internal candidates, we would seek an external candidate.

2. PAY SCALE / LICENSE REQUIREMENTS:

Should the successful applicant already possess their “S” license, they would be started at 80% of the Fleet Technician wage upon commencement of the Apprenticeship program with the City.

The starting wage (year 1) would be 70% of the Fleet Technician wage and the wage scale will progress as follows as the apprentice works towards successful completion of the “T” license:

NOTE: A three-month evaluation will take place with no monetary effect. The purpose of this evaluation is to determine the Apprentice’s suitability in the position.

A six month evaluation will be conducted and if all criteria are met, the Apprentice will be placed at 75% of the Fleet Technician wage.

80% yr 2
90% yr 3

Apprentice would remain at 90% upon completion of Provincial exam (must achieve successful completion of the Provincial exam by the 5-year mark at a maximum). Once the logbook for the “T” license is complete, and the apprentice has successfully passed the Provincial exams, they will be placed at the top rate. The maximum time frame to achieve this is 5 (five) years. As the levels are evaluated based on competency, the individual could reach the top rate sooner than the maximum number of years indicated.

3. STATUS / SENIORITY:

The apprentice is eligible to accrue sick and vacation credits and group benefits in accordance with Article 26 of this agreement.

If the apprentice is an external hire, they would accumulate seniority hours as an apprentice, which would be credited to them at the point at which they become fully certified and accept permanent full time employment as a Fleet Technician with the City of North Bay. Internal hires would simply continue to accrue seniority.

4. TERMINATION:

Should the apprentice fail to meet expectations set out by the Province and/or the City of North Bay, the employer has the right to terminate the individual at any time during the apprenticeship. If the successful applicant is an internal hire, they would be allowed a

one-year time period during which they could revert to their previously held position.

There will be an understanding that the apprentice must have reached full certification as a licensed "T" Fleet Technician within the 5-year timeframe. Failure to comply with this requirement may result in termination.

5. BIDDING RIGHTS:

During the entire duration of training, the apprentice will be ineligible to bid on any internal bulletined positions.

Once certified as a Fleet Technician, they will be required to stay in this position with the City and will not be allowed to bid out to any other position for a minimum of one (1) year.

There may be an exception where bidding to a Fleet Technician Chargehand position. The apprentice will be eligible for overtime during any part of the training period.

6. MENTORSHIP AND LOGBOOK RECORDING:

At all times a Fleet Technician will be assigned to mentor the apprentice and will be responsible for verifying qualifications. The Fleet Technician will signoff in the logbook once the skill sets have been identified and completed.

In order to ensure timelines and requirements are being met between the mechanic shop and apprentice, follow-up evaluation meetings will be set on a monthly basis for the first quarter of the apprenticeship. Meetings will be held quarterly thereafter between the Fleet Manager, or delegate and apprentice. (Documentation must be kept)

7. ENROLLMENT / BOOKS / COMPETENCY EXAMS:

The City will agree to pay the difference between what the Ministry pays approximately (90%) and the remaining cost approximately (10%). This amount will be payable upon proof of successful completion of each level of the course.

The City will agree to reimburse the Apprentice the cost of the competency exam(s) upon successful completion of such exam(s).

8. NON-COMPLIANCE WITH PROGRAM REQUIREMENTS:

This is a requirement of the program and not participating would result in removal from the program. We would request that attendance sheets be completed by the professor and submitted on a weekly basis (like a timecard). Any time missed would not be paid. Regular attendance is mandatory and failure to comply may result in termination from the apprenticeship program.

9. PAYMENT FOR SCHOOL TIME:

The employee must participate in the Day Release Program as opposed to the Block Release. The Day Release is what is offered at Canadore and it is the program which offers the most suitable schedule for training. The City would agree to pay for school time on this basis. It would be understood that any time missed would not be paid. Once again, we would rely on the signed attendance sheets.

If the employee leaves the Corporation at any time during that period, they would be required to reimburse the Corporation for the training costs on a prorated basis.

10. HOURS OF WORK:

The City agrees to pay for the school time as long as we follow the guidelines mentioned above.

The Apprentice shall work on a rotated shift schedule as pre-determined by the Supervisor of Fleet.

11. TOOL ALLOWANCE:

The City will provide an initial, one time, up front allowance in the amount of \$1000 to the Apprentice. This allowance shall be used to purchase tools as specified on a predetermined list which will be supplied.

Receipts must be provided for all initial purchases from the \$1000 allowance.

Annual allowances thereafter shall occur as outlined in Article 28.01 of the Collective Agreement.

Should the Apprentice fail to meet the specified guidelines outlined in the Apprenticeship program, or choose to leave the program prior to completion, they will be responsible for reimbursing any and all associated tool costs.

12. CLOTHING:

The City will provide a clothing allowance as outlined in Article 27 of the Collective Agreement.

13. APPRENTICESHIP GUIDELINES:

The parties agree to review and modify the specifications outlined in this Agreement and to discuss revisions as required.

ARTICLE 37 – BUILDING INSPECTOR

Whereas the Ontario Building Code requires Building Officials to undergo mandatory qualification and registration which involves the successful completion of eleven (11) courses; the following will apply:

Employees will have five (5) years from the commencement of full time employment as a Junior Plan Examiner to become Ministry qualified and registered as a Building Inspector as a condition of continued employment. The City of North Bay will support training and qualification opportunities.

Once the Junior Plan Examiner meets the requirements of the Building Inspector I job description and the qualifications of the Ministry, the position will be reclassified as Building Inspector I and will be registered as a Building Inspector as per the Ontario Building Code requirements.

Upon achieving qualification and registration in all categories, the Building Inspector I will

be reclassified as Building Inspector II.

In the event that an employee does not complete the above requirements as per this agreement, they will be eligible to exercise their seniority as per Article 9.

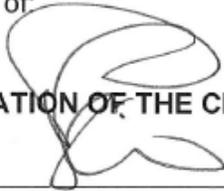

ARTICLE 38 – TERMS OF AGREEMENT

- 38.01** This Agreement shall be binding and remain in effect from January 1, 2025 to December 31, 2028 and shall continue from year to year thereafter unless either party gives to the other party notice, in writing, during the period ninety (90) days prior to the 31st day of December in any year that it desires its termination or that it be renegotiated in whole or in part.
- 38.02** However, any changes deemed necessary in this Agreement may be made by mutual agreement at any time during the existence of this Agreement.
- 38.03** In the event that one (1) party to this Agreement shall give notice to the other party pursuant to section 38.01 that it desires to negotiate the Agreement in whole or in part, the parties to the Agreement shall meet at a time mutually agreed upon, however, such meetings shall take place not later than thirty (30) days following the date of notice pursuant to section 38.01 and the parties agree to bargaining in good faith.

IN WITNESS WHEREOF the parties hereto have hereunto set their hands and seals
this 2nd day of February, 2026.

For the purpose of calculating and converting between hourly and yearly service and seniority dates, 2080 hours is the equivalent of one year for persons working an average work week of forty (40) hours per week and 1950 hours is the equivalent to one year for persons working an average work week of thirty-seven and one half (37.5) hours per week.

MEMORANDUM OF AGREEMENT RE: ARTICLE 10.05

In the event of an external hire, the Corporation may replace an employee on an approved leave of absence, Long Term Disability, or Workplace Safety Insurance for the lesser of the duration of the leave or twelve (12) months (18 months in the case of pregnancy or parental leave in accordance with the ESA), with a substitute employee who shall not acquire seniority status during the aforementioned period.

In the event the employee on an approved leave as outlined above requires an additional period of absence, the Corporation and the Union will review the circumstances surrounding the leave of absence and mutually agree on the appropriate action to follow. In cases where it may be determined that the employee is unable to return to work, the position will be posted as required by the collective agreement.

The temporary period may be extended beyond 12 months (18 months in the case of pregnancy or parental leave in accordance with the ESA) on mutual agreement between the parties. Agreement to an extension of this period will not be unreasonable withheld. In the event an extension is granted, the employee will be subject to all provisions of the collective agreement.

Except as herein provided for, time worked by a substitute employee will not count toward the probationary period outlined in Article 2 and Appendix B of the collective agreement. Substitute employees will be paid wages in accordance with the provisions of the collective agreement and will pay union dues. Substitute employees in a position identified for layoff will be terminated prior to a layoff outlined in Article 9.

Substitute employees will receive vacation in accordance with the provisions of the Employment Standards Act. Substitute employees will also receive an allowance equivalent to eight (8) percent of the employee's regular wage rate in lieu of benefits. Such payment in lieu of benefits will be reduced by the amount of the Employer's contribution to OMERS on the employee's behalf, should an eligible substitute employee elect to participate in the OMERS plan. Substitute employees will not be considered for other positions in the bargaining unit in accordance with the provisions of Article 10 of the collective agreement unless permanent and probationary employees have not been successful applicants for the position.

Substitute employees will be considered for vacant positions for which they have the ability, knowledge, training, aptitude and skill before external candidates are considered.

Substitute employees shall not be eligible to apply for or bid to another temporary position or temporary vacancy unless the end date of the temporary position they currently occupy is known and it is within one (1) month of the end date of the substitute appointment.

When, within three (3) months of the end date of the substitute appointment, a substitute employee is appointed permanently, as a result of the posting procedure outlined in Article 10, to the position in which they worked as a substitute employee, they shall attain seniority status back to the date of hire in such substitute position provided that the length of service satisfies the normal probationary period, then the individual will be required to serve a probationary period for such days as they are deficient from the normal probationary period. For the purposes of vacation entitlement, the seniority date shall be the date of first hire and no other benefits shall be retroactive.

It is further agreed if a substitute employee is, with the consent of the Union, continued in the employ of the Corporation beyond twelve (12) consecutive months (or 18 months in the case of pregnancy/parental leave in accordance with the ESA), they shall acquire seniority status back to the date of hire.

The parties acknowledge that substitute employees are subject to all of the provisions of the collective agreement, except as specifically prescribed in the agreement and as follows:

- Article 26
- Article 31
- Article 32
